UNA CULTURA**

# LANGUAGE & ACTIVITY PROGRAMME

This programme is aimed at students between **15-17 years of age** with a **maximum of twelve students** per class. It offers students the opportunity to immerse themselves in a Spanish speaking environment for a period of **two or four weeks**.

Students have **20 hours of Spanish classes** a week taught by highly qualified teachers who are trained in teaching Spanish as a foreign language. Once a week, students have **class in the local high school** where they participate in dynamic **language exchange activities** with their Spanish peers.

Complementing the academic course is an **action packed activity programme** which includes training with a local sports club, weekend excursions and activities.

All students stay with carefully selected **host families** who provide dedicated support and care to the students during their time on the programme.

# HIGH SCHOOL & ACTIVITY PROGRAMME

This programme is aimed at students who are between **15-17 years of age** and would like a longer immersion experience which allows them to experience the **day to day school life of a Spanish teenager**.

Students **attend our local high school** where they follow the standard curriculum along with their Spanish peers. To support and boost their language acquisition they also have **8 hours of Spanish classes per week**, with an experienced teacher qualified in teaching Spanish as a foreign language. These classes take place on-site, within the school timetable.

To facilitate social integration a key component of the programme is that students **become members of a local sports club** for the duration of their stay. The programme also includes one organised **group activity** during the week and one **excursion** every weekend.

All students stay with carefully selected host families who provide dedicated support and care to the students during their time on the programme.

# LINGUISTIC, SOCIAL & CULTURAL PROGRAMME

This programme is for students who are taking Spanish at **University level**.

We have **intensive two or four week** programmes and as an Instituto Cervantes accredited centre students can obtain **ECTS** (European Academic Credit Transfers) by successfully completing the academic course.

The programme combines interactive classroom based learning with experiential learning outside the classroom and is based on preparing students for **D.E.L.E Certification** (Diploma de Español como Lengua Extranjera). Our carefully designed social-cultural programme provides students with the opportunity to immerse themselves in Spanish language and culture in a natural way.

# ADVANCED LANGUAGE & CULTURE PROGRAMME

This week-long course caters to **non-native Spanish teachers or professionals incorporating Spanish into their work** environment but lacking exposure to the language outside the professional setting.

Recognising the dynamic nature of language learning our programme is designed to equip participants with the linguistic tools and strategies needed not only to maintain their existing language abilities but also to safeguard against the natural attrition that can occur in the absence of consistent language exposure.

Participants attend **20 hours of high level Spanish classes**, which are tailored to the requirements of the group (**max 12 students**) and focus on refining fluency and proficiency.

Beyond the classroom participants have the opportunity to apply their language skills in a natural Spanish speaking environment through a carefully selected activity programme.

# LANGUAGE HOLIDAY PROGRAMME

Our *Language Holiday programme* is a **7 day programme** designed for people who would like to explore and discover the beautiful city of Granada and surrounding villages with **local native Spanish teachers and guides**.

The programme consists of **dynamic, interactive Spanish classes** and a variety of carefully chosen **activities based on group interests**.

It is the perfect opportunity to immerse yourself in the Spanish culture, language and way of life. We keep the **group size small** (8-12) for maximum learning and enjoyment.
